

## **Maytag Product Specialist Customer Service Telephone Numbers**

### **A. Dedicated Line Number**

**1-888-234-4202:** this is our back-door service number for MPS, Fry's salesmen and managers, etc and NOT FOR THE CONSUMER. Please have at least the customer's name & phone/contact info, model number, and a description of the problem ready when calling in. Currently the number is having an occasional technical difficulty and is being worked on. Should you get disconnected, call back again. All voice-mail is retrieved, so please leave it if you get it.

**USE THIS NUMBER FOR SERVICE RELATED QUESTIONS DURING WEEKEND HOURS. THIS NUMBER IS NOT FOR THE CONSUMER!!!**

### **B. Email Address**

Also available is an email address of [specialaccount@maytag.com](mailto:specialaccount@maytag.com). They require the same customer's name/phone/model number/problem description as the 800 number above.

### **C. Maytag Customer Service Number (Monday – Friday)**

**1-800-688-9900:** This is the number we give to customers for service if they want to call in themselves.
