Power Point Presentation!!!

Amana Practical Cooking Convenience

Easy rack oven rack

This makes it easy to easily grab cookie sheets and other pans.

Favorite Setting

Preprogram your favorite recipe

Temp assure Preheat

Our oven preheats to temperature, NOT TIME. Gives the consumer more accurate results. Will preheat above what you set it for, so when you open the door to place the food in the oven, you don't have to worry about letting a little heat slip out
